- Shrink your costs with a cloud-based solution
- Reduce staff time on payments by 19%

Simplify Student Account Payments

The biggest worry for students and their parents used to be getting into their college of choice, but now the top worry is paying for college.¹ Colleges and universities have the unique ability to reduce these worries and raise student satisfaction 24% by offering newer, easier ways to view and pay tuition bills.² ACI[®] Student Payment Portal[™], part of the ACI[®] Speedpay solution, simplifies paying for higher education while improving payments security.³

The Market Challenge

It's not easy or convenient for students and parents to manage the student account. They often must go to different websites to pay the tuition bill in full and set up a payment plan. The ACI Student Payment Portal provides a modern, feature-rich mobile and web experience to meet these needs in a single place.

ACI Worldwide Real-Time Payments

THE ACI SOLUTION

Raise Student Satisfaction 24%⁴

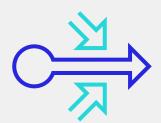

- Students and families benefit from a comprehensive, simple payments
 experience
- Accept automated clearing house (ACH), credit cards and debit cards
- Single sign-on from your portal to payments portal
- Students can add parents as authorized users to make payments and access account

Pay in full, set up payment plans, view bills.

Simplify Payment Plans

- Students go to the same website to pay the full tuition bill all at once or sign up for an interest-free payments plan to spread out their obligation
- Real-time student and balance validation with student information system
- Configure due dates, plan groups, enrollment dates
- · Offer multiple plans at one time

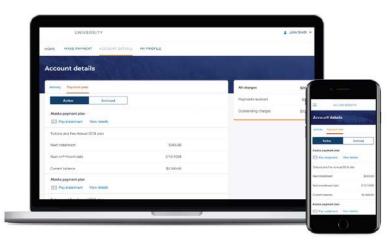

Modern Mobile Experience

- · Responsive design for mobile and web payments
- eBills tailored to mobile and web screens
- Mobile-first design approach

Easily Deliver Bills and Communications

- · Easily deliver bills, personalized messaging and billing alerts
- Students and families may customize alerts and choose bills and information in your student information system based on email versus text message
- · Family members can update their communication preferences

Configure due dates, plan groups and enrollment dates. Offer multiple plans at one time.

ACI Worldwide is a global software company that provides mission-critical real-time payment solutions to corporations. Customers use our proven, scalable and secure solutions to process and manage digital payments, enable omnicommerce payments, present and process bill payments, and manage fraud and risk. We combine our global footprint with local presence to drive the realtime digital transformation of payments and commerce.

Tighten Payments Security

- Independent security experts found ACI offers a higher level of payments security versus peer group⁵
- Higher level of diligence with better patching cadence and reduced open ports
- Secure cloud reduces PCI-compliance burden with protected student, parent and payments data
- ACI owns our own data centers helping to further safeguard student and parent data

Lower Costs

- Reduce development and licensing fees
- · Eliminate credit card fees (optional)
- Save integration time and expense with ACI's pre-integration into student information systems

Simplify Integration

 ACI offers real-time integration into Ellucian, Anthology and Oracle systems including user information, balances, account activity, payments history and document detail

Match Your Look and Feel

- Customize logo, colors, fonts, labels, text
- Institutions can add custom data elements
