BOOST SATISFACTION WITH CONVENIENT RECURRING PAYMENTS

Make consumers happy with ACI Recurring Payments™. Part of ACI’s UP® Bill Payment™ solutions, this electronic recurring payment service builds consumer relationships, increases loyalty and lowers costs. With online automatic payments, consumers get flexibility and you reduce costs by using electronic due date notifications that cut paper bills.

THE MARKET CHALLENGE
Thirty percent of consumers want automatic payments.¹ Still, many organizations struggle to meet consumer preferences and miss automatic payment opportunities because sign-up forms are too long and complicated, or websites are not optimized for mobile devices.

BUILD COST-EFFECTIVE CONSUMER RELATIONSHIPS

• Provide a stronger, repeatable consumer touch point
• Reduce call center volume
• Offer an enrollment-based consumer experience where users can create their own profile with a unique user name and password
• Empower consumers to create and manage recurring payment schedules for all of their billing accounts
• Use ACI’s powerful Client Console™ web-based consumer service tool to give consumer service agents access to all features
• Accept both card and ACH payments

RECURRING PAYMENTS OFFER THE ULTIMATE IN CONVENIENCE

• Offer a consumer-focused interface that lets them:
  - Schedule recurring payments
  - Make payments one at a time
- View bill and payments history
- Schedule proactive notifications

• Provide consumers with access to multiple billing accounts with one log-in, manage funding methods and scheduled payments
• Notify customers when the credit or debit card they use will expire before the payment date

---

**IMPROVE PAYMENTS AND INFORMATION ACCURACY**

• Consolidate bill presentment and payment when combined with ACI eBill™

• Update consumer data daily to ensure the most up-to-date information is available, including:
  - Due date
  - Amount due
  - Minimum amount
  - Late fees (as applicable)
  - Previously scheduled payments
• Use configurable account information fields for custom consumer data

---

**CONFIGURABLE AND FLEXIBLE TO MEET YOUR NEEDS**

• Meet your organization’s needs with a solution that lets you choose:
  - Funding types
  - To charge a fee to the consumer
  - Whether to accept post-dated payments
  - Payment date, frequency and payment amount options for recurring payment schedules
• Use a wide range of options to best suit your business needs
• Provide payments data customized to integrate with your existing systems
• Choose multiple options for batching payments within the file as well as cut-off and delivery times
PAYMENTS MANAGEMENT WITH ENHANCED INSIGHT

• ACI's Client Console is a powerful support tool that provides:
  - Web-based payments research and entry
  - Consumer profile management
  - Recurring payment management
  - Dynamic consumer and employee activity reports

Recurring Payments is one of many different services within UP Bill Payment solutions — a comprehensive, integrated platform proven to raise consumer satisfaction 25%.

ACI Worldwide, the Universal Payments (UP) company, powers electronic payments for more than 5,100 organizations around the world. More than 1,000 of the largest financial institutions and intermediaries, as well as thousands of global merchants, rely on ACI to execute $14 trillion each day in payments and securities. In addition, myriad organizations utilize our electronic bill presentment and payment services. Through our comprehensive suite of software and SaaS-based solutions, we deliver real-time, any-to-any payment capabilities and enable the industry’s most complete omni-channel payments experience.
