

## DON'T PAY DOUBLE AND ELIMINATE 100% OF CARD FEES

To save costs on eCommerce, schools need a system that both offers the best integration with their Ellucian Colleague, Banner and PowerCampus investments and eliminates card fees. Schools shouldn't have to pay twice for software licensing fees, and with ACI's Ellucian self-service and disbursements integration, they don't.

Plus, according to Creditcards.com, 93% of public and 78% of private higher education institutions avoid paying card fees completely. How? They partner with experts that eliminate 100% of card fees by adding a small convenience fee that students are happy to pay.
