ACI will continue to shape the future of digital payments, set new standards in intelligent payments orchestration, and transform the industry.”

Thomas W. Warsop, III
CEO & President
ACI Worldwide

ACI Worldwide, an original innovator in global payments technology, delivers transformative software solutions that power intelligent payments orchestration in real time so banks, billers, and merchants can drive growth, while continuously modernizing their payment infrastructures, simply and securely.

With 50 years of trusted payments expertise, we combine our global footprint with a local presence to offer enhanced payment experiences to stay ahead of constantly changing payment challenges and opportunities.

ACI at a glance

We have customers in 94 countries, including:

- The top 10 banks worldwide²
- 80,000+ merchants
- 3,000 organizations utilizing our electronic bill payment solutions
- Thousands of banks, intermediaries, and merchants preventing fraud with our solutions

Our broad and integrated suite of electronic payment software solutions processes **billions of transactions per day** equating to **trillions of U.S. dollars**.

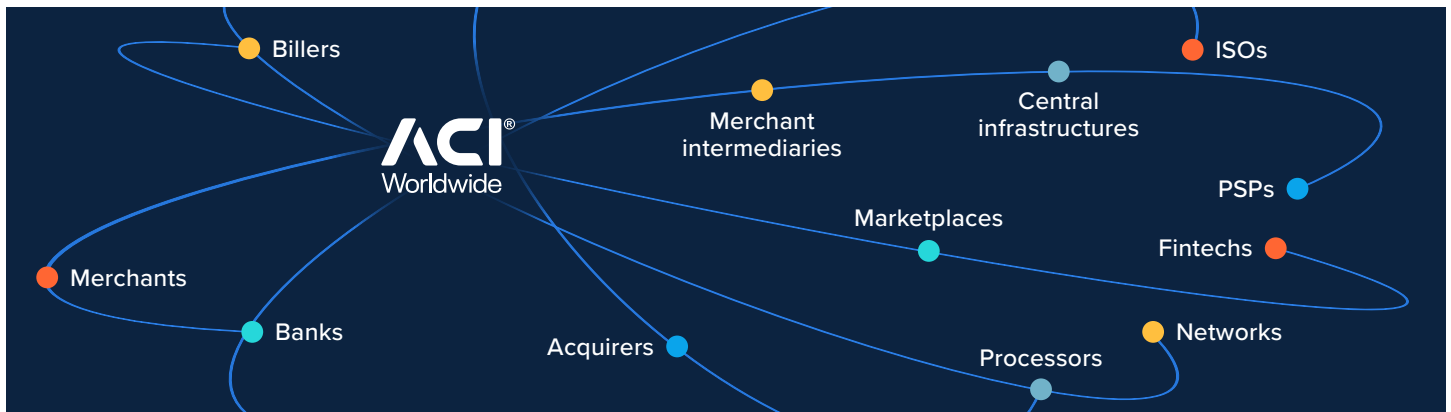

We support thousands of customers in the public, private, and hybrid cloud globally. Our global technical support team of more than 100 individuals delivers:

- 24x7x365 technical support for ACI software in production
- Customer assistance through web, phone, and email
