

An eCommerce
system that
graduates
with them

From that first
tuition payment
to resolving
delinquencies to
alumni donations
— help students
and parents make
payments for their
entire student
lifecycle

Raise Student Satisfaction by 24%¹

To satisfy students, schools need a system that both offers the best integration with their CampusNexus investment and simplifies billing, payments and communications. Paying for education should not be so painful for families and ACI offers a novel approach to simplify their experience.

With the ACI Speedpay[®] solution you can offer a single, simple platform to accommodate every way to pay, from full tuition payments, to payment plans, to delinquent collections. Plus, you can take control of billing and communications with easy ways to personalize your messages to each person.

Payments Made Simple

ACI Worldwide is a global software company that provides mission-critical real-time payment solutions to corporations. Customers use our proven, scalable and secure solutions to process and manage digital payments, enable omni-commerce payments, present and process bill payments, and manage fraud and risk. We combine our global footprint with local presence to drive the real-time digital transformation of payments and commerce.
