

# Eliminate 100% of Card Fees

To save costs on eCommerce, schools need a tuition payments system that eliminates credit and debit card processing fees.

According to Creditcards.com, 93% of public and 78% of private higher education institutions avoid paying card fees completely. How? They partner with experts that eliminate 100% of card fees by adding a small convenience fee that parents and students are happy to pay.

## Higher Education Institutions Charging a Service Fee for Tuition

ACI Worldwide is a global software company that provides mission-critical real-time payment solutions to corporations. Customers use our proven, scalable and secure solutions to process and manage digital payments, enable omni-commerce payments, present and process bill payments, and manage fraud and risk. We combine our global footprint with local presence to drive the real-time digital transformation of payments and commerce.
