Offer More Options with ACI Speedpay®: Payment Plan

Give your students and their families the freedom to make payments over time while increasing your efficiency. Part of the ACI Speedpay® solution, ACI's payment plan service makes it easier to make higher education more affordable to families.

The Market Challenge

One payments schedule does not fit all families. Schools need the freedom to offer multiple schedules for different programs. After establishing a payment plan, families expect to be able to easily change their payments date and method online.

Increase Revenue and Save Time

- Generate additional revenue by sharing in the payment plan fees
- Opt to provide lower fees to the students
- Easily deploy multiple plans at once and receive funds directly into your bank accounts

ACI Worldwide is a global software company that provides mission-critical real-time payment solutions to corporations. Customers use our proven, scalable and secure solutions to process and manage digital payments, enable omni-commerce payments, present and process bill payments, and manage fraud and risk. We combine our global footprint with local presence to drive the real-time digital transformation of payments and commerce.
