

Get Zero Fee eCommerce Crypto Payments

ACI Worldwide and RocketFuel Blockchain Inc. are transforming the world of eCommerce. Merchants using the ACI[®] Payments Orchestration Platform[™] can now process cryptocurrency payments with **zero processing fees for life**. This first-of-its-kind partnership brings traditional and cryptocurrency payment options together within a single payments gateway.

RocketFuel brings all major coin types, including 60+ cryptocurrencies, to ACI's agnostic, global payments network featuring more than 250 acquirers, popular alternative payment methods and digital wallets — all immediately available through a single integration via ACI's RESTful Open API.

The expansion of payment methods available through ACI Payments Orchestration Platform offers customers the opportunity to pay for online purchases using their favorite cryptocurrency via a seamless, one-click checkout experience with no redirects.

To learn more about adding cryptocurrency to your payment options, contact ACI today.

Why Adding Crypto Matters

- 59% of shoppers will abandon a transaction if their preferred payment method is not available¹
- 28% of shoppers abandon their purchase if the checkout process is too lengthy and confusing²
- More than 40 million people worldwide use some type of cryptocurrency³

With this partnership, merchants can add an extensive array of crypto payment types to their checkouts that are currently unavailable in other eCommerce solutions.

Merchant Benefits

- No transaction fees
- No settlement fees
- 100% settlement guarantee
- Zero chargeback fees
- One-click checkout with no redirects
