2024: **63%**
2023: **60%**

Not applicable — I have never experienced any tax scams or fraud

ACI's Top Tips for Tax Season

Choose Digital Payments

Opting for digital payments versus a check is a safer and faster choice for consumers, as checks typically include social security numbers, which can be easily stolen by fraudsters.

Make Time for Cash Payments

[Pay your taxes with cash](#) in the checkout lane at thousands of retail locations. However, allow two business days for your payment to post to your account.

Be Wary of Tax Scams

Although phone and email scams are more popular among fraudsters, consumers must be aware of other scams, such as “ghost preparers” and illegal tax preparers. Always check your tax preparer’s PTIN to ensure they are legitimate.

Generations were defined as follows:

- Gen Z** (born after 2000)
- Millennials** (born 1982-1999)
- Gen X** (born 1965-1981)
- Baby Boomers** (born 1946-1964)

It is clear that there is a holistic shift in payment preferences, demonstrating a decisive move toward digital methods across all age groups. Our latest report underscores the need for financial institutions to adapt to the cultural and digital transformation already taking place.”
